

TABLE II-3: Typical Activities for Each Management Zone (1)

Activities	1. Wilderness Zones				2. Diverse Visitor Experiences Zones				3. Developed Zones		
	1A Untrailed	1B Trailed Travel	1C Heavy Use Trail	1D Overnight Stay	2A (2) Open Space	2B Discovery	2C Day Use	2D Attraction	3A Camping	3B Visitor Base/ Lodging	3C Park Operations/ Administration
Camping, developed (3)				+					+		
Camping, undeveloped (3)	+	+									
Picnicking, formalized						+	+	+	+	+	+
Hiking	+	+	+	+	+	+	+	+	+	+	
Stock use/ Horseback riding (3)		+	+	+	+	+	+	+			
Non-Motorized Watercraft (rafting, kayaking) (4)							+				
Bicycling						+	+	+	+	+	+
Swimming	+	+	+		+	+	+	+	+	+	
Fishing	+	+	+		+	+	+	+	+	+	
Rock climbing (3)	+	+	+		+	+	+	+			
Nature study/Photography	+	+	+	+	+	+	+	+	+	+	+

Notes:

(1) This table summarizes the activities that would be typical under the prescriptions for each zone. While this list is not exhaustive and other activities may occur in each zone, they are expected to occur at lower levels than the typical activities.

(2) Several non-wilderness areas in the Merced River corridor (on the south side of the river in the Merced River gorge on the main stem and below Wawona on the South Fork) share the characteristics of the 1A: Untrailed wilderness zones (free of trails, roads or other facilities). They are zoned as Undeveloped Open Space (2A+) to indicate that they should be managed as defacto wilderness with similar prescriptions as 1A: Untrailed (no roads, trails, or other facilities would be developed).

(3) Permits or other special conditions may apply to this activity.

(4) Non-motorized watercraft are typical only in management zone 2C (because of the allowance for launch/removal sites) but may occur elsewhere at lesser levels.

+ = typical activity in this zone

Box not marked = activity not typical in this zone
